### EDUCATION

2013 - 2014

Computer Science  
PXL Hasselt

2021 - 2022

Hybrid Application Development  
VDAB Education

### LANGUAGES

Dutch

English

French

### PROFILE

I am passionate about IT and every aspect about it. I have basic knowledge in application development thanks to the course I attended with VDAB and I have previous experience as first line support where I assisted users with IT related issues using a ticketing system.

In my free time I like to brighten my knowledge about IT, hanging out with friends and working out at my local gym.

### EXPERIENCE

2023 - PRESENT

CAPGEMINI

#### L1 SUPPORT

Currently I am working as a L1 support doing several first line tasks.

2022 - 2023

SECURITAS

#### SECURITY GUARD

Working as a security guard, doing administrative work and walking rounds.
