PROFILE

Hi, my name is Wouter. Currently I am 30 years old and I am very into coding and passionate in how things work and communicate in IT. Therefore I have written my CV in HTML and CSS.

In my sparetime I like to brighten my knowledge about coding, hanging out with friends and work out in my local gym.

EXPERIENCE

2019 - 2021
CANON BELGIUM

IT ANALYST

First line, handling IT related issues of colleagues

2021 - PRESENT
VDAB BELGIUM

COURSE HA DEVELOPER

Currently I am following a course with VDAB on how to create mobile hybrid applications.
